## Treasurer, Board of Directors

Location: Centre Hastings

Commitment: Volunteer, Board Position

Application Deadline: March 13th, 2026

---

## About Us

Central Hastings Support Network is a community-driven non-profit dedicated to reducing poverty through vital social assistance programs, including a food bank, rural transit, and tax services for low-income individuals and families. Our mission is to provide access and opportunity, fostering dignity and resilience in our community.

## Position Overview

We seek an experienced Treasurer to serve as a key leader on our Board of Directors, providing strategic financial oversight and governance. This role is distinct from day-to-day financial management and focuses on advising the board on financial policies, leading financial discussions, and ensuring strong oversight of our annual budget. The Treasurer will work closely with the Finance Coordinator and Executive Director to uphold financial integrity and sustainability.

## Key Responsibilities

- Lead the Board's financial oversight, ensuring transparency, accountability, and adherence to best practices in non-profit governance
- Advise the Board on financial policies, risk management, and long-term financial strategy
- Chair or actively participate in the Finance Committee to review financial reports prepared by the Finance Coordinator
- Facilitate informed financial discussions at board meetings, helping directors understand financial implications of decisions
- Ensure compliance with regulatory requirements and ethical standards in financial governance
- Support the Board in financial planning, including reserves, investments, and sustainability initiatives

# Central Hastings Support Network

[chsn.support](http://chsn.support)

- Collaborate with the Executive Director and Finance Coordinator to monitor financial health and identify potential risks
- Provide mentorship or guidance to board members on financial literacy and fiduciary responsibilities

## Qualifications

- Proven experience in financial governance, ideally as a Treasurer or senior financial advisor within a non-profit organization
- Strong knowledge of non-profit financial policies, regulatory compliance, and risk management
- Ability to interpret and communicate financial information at a strategic level to non-financial board members
- Commitment to the mission of alleviating poverty and social assistance
- Integrity, leadership, and collaborative approach to board governance

## Why This Role Matters

As Treasurer, you will play a pivotal role in safeguarding the financial future of programs that provide critical support to vulnerable populations. Your stewardship will help ensure that resources are managed with the highest level of oversight, enabling the organization to thrive and expand its impact.
